## ■ Game Overview

### Story

**Make your own love story with unique characters**

You wake up to find something off about a world you once knew.

You are in the magical world of the Devildom right after the Great Celestial War.

With the help of an old companion, you masquerade as a demon and become the brand-new attendant to seven demon brothers.

To return to the world you came from, you must form pacts with the seven devilishly good-looking young men and complete your lessons at school.  
Introducing Obey Me! Nightbringer! An otome game for the ages!  
My love for you transcends time.
