Fantôme Rapport Launches in English — A Romance, Horror, and Mystery Adventure Aboard a Ghostly Luxury Liner

NTT Solmare Corporation is pleased to announce the launch of the English version of Fantôme Rapport, a romance, horror, and mystery adventure set aboard a ghostly luxury liner, where players deepen relationships with a cast of mysterious women, on January 16, 2026 (JST).

About Fantôme Rapport

With the concept of Drifting with your heart on the boundary between

life and death, this work meticulously portrays psychological transitions within a closed space, allowing you to enjoy the thrill with her. Set on a dimly lit, antiquated yet lavish and ethereal luxury liner, this closed maritime space serves as the stage where we present the subtle emotional nuances and evolving relationships between characters as a shipboard romance.

Story

A ghost ship sailing somewhere in the world.
On the vast sea, you are brought aboard the vessel after nearly drowning.
Here, you meet a group of peculiar women,
whose identities, and the truth of their existence, remain shrouded in mystery.

Amid the enigma of this ghostly luxury liner,
as you deepen your connections with the women,
A shadowy voyage with no known destination begins.

Character

Galatea (VA: Rina Kawaguchi)

With porcelain skin and jewel-like eyes, Galatea is a mysterious young woman who works as a clockmaker aboard the ship. Resembling an antique doll, she rarely speaks, but her delicate hands reveal her talent as a technician, and she carries a deep well of knowledge.

Manon (VA: Akihiko Suzumoto)

With her sweet demeanor and slightly absent-minded air, Manon appears to be a member of the Church, but she calls herself a "love evangelist."

After years of devoted service, she's wholly dedicated to caring for others, embodying a true spirit of selflessness.

Ageha (VA: Kaori Maeda)

Though a stranger, Ageha has the warm, easy familiarity of a childhood friend. Energetic and friendly, she's a strikingly beautiful girl who claims to be a successful novelist, always on the lookout for inspiration.

Tosca (VA: Misato Matsuoka)

A charismatic singer who occasionally performs in the ship's bar. She possesses model-like beauty and can be quite cold toward people she does not know despite her bubbly on-stage persona.

Luca (VA: Aoi Koga)

A mysterious child with a delicate, timid charm, Luca describes himself as shy, and it shows in every hesitant glance and softly spoken word. Innocent, earnest, and endearingly pure, he has the kind of presence that makes you instinctively want to protect him.

Service General Manager (VA: Ai Fairouz)

A free-spirited, carefree, and unpredictable embodiment of chaos, the ship's manager is an enigmatic character.

The Protagonist

A new passenger with no memories who has wandered onto this ghostly luxury liner.

Tikvah

Tikvah is a dove that always accompanies Galatea.

How to Play Fantôme Rapport

The story of Fantôme Rapport is told through a series of videos available on YouTube, while the characters can be interacted with via a browser game that also includes an interactive map of the ship.
