

Press Release Date: January 24, 2022

**Obey Me!, the Mobile Game With Over 6 Million Downloads Across 186 Countries
and Regions, Receives a Manga Adaptation**
— Obey Me! The Comic is now available exclusively in Japan and the US

NTT Solmare Corporation is pleased to announce the exclusive early-access release of “Obey Me! The Comic,” (By MAG Garden corp.) the official manga of its mobile game with a fiercely devoted global fan base, Obey Me!

The Japanese version will be available on Comic C'moA and the English version will be available on the MangaPlaza Obey Me! site* from January 24, 2022.

*MangaPlaza is scheduled to launch in the US on March 1, 2022.

■ In the comic, experience the world of Obey Me! as never before and enjoy life with the seven “unique” brothers as a RAD exchange student.

A Brief Introduction to Obey Me! The Comic

Obey Me! is a mobile game about taming, building your relationships and communicating with seven distinctly different handsome demon brothers.

Published by MAG Garden and drawn by the renowned Subaru Nitou, Obey Me! The Comic depicts the events of the game in manga form.

Obey Me! The Comic has been made to be as enthralling and captivating for those who are first venturing into the world as it is for those who have already played and enjoyed the game. Experience life in the Devildom like never before in Obey Me! The Comic.
