Game Overview

Story

Make your own love story with the rich variety of unique characters

You wake up to find a world you once knew...a little different.

You are in the magical world of the Devildom right after the Great Celestial War.

With the help of an old companion, you masquerade as a demon and become the brand-new attendant to seven demon brothers.

To return to the world you came from, you must form pacts with the seven devilishly good-looking young men and complete your lessons at school.

But it won't be an easy task as they each have their own unique...traits.

Introducing Obey Me! Nightbringer! An otome game for the ages!
