

Obey Me! Ranks No. 1 on Tumblr’s “2020’s Top Mobile Games” List

“Obey Me!” a dating simulation game for mobile platforms (Android and iOS) by NTT Solmare Corporation (Headquarters: Osaka, Japan; President: Toshiaki Asahi, hereafter referred to as “NTT Solmare,”) took first place in Tumblr’s “2020’s Top Mobile Games” and “2020’s Top Video Game Characters” categories in their “Year in Review 2020.”

(<https://fandom.tumblr.com/post/636605362207899648/2020-mobile-games>)

The “Tumblr Year in Review 2020” rankings are based on how many posts were created that contained a tag, how many times a tag was searched for, how many times a post using that tag was reblogged, and how many times a post using that tag was liked*. Obey Me! took first place in the “2020’s Top Mobile Games” category, as well as first place (Lucifer) and second place (Mammon) in the “2020’s Top Video Game Characters” category!

*About Tumblr’s Fandometrics (<https://fandom.tumblr.com/about>)

1. About Obey Me!

In Obey Me!, you get to make seven handsome demon brothers, each with their own personalities, do your bidding as you enjoy different methods of communication with them. Enjoy your school life in the Devildom by interacting with the dangerous yet charming brothers and their classmates through chats and phone calls, and by making them go to work. Work towards an exciting ending that changes depending on the choices you make!

Laughter, excitement, and romance all await in NTT Solmare's brand new game, "Obey Me!"
